

# Need help paying your utility bills?

You're not alone. Fortunately, there are free community programs that can help you pay your natural gas and other utility bills.

It doesn't matter if your home or apartment has natural gas, electricity or propane. Just call 211 or visit a local community assistance agency to find out if you're eligible.

**Keep your family comfortable.  
Call 211 (select option 1) today.**
